Subject: Testimony

There is nothing better than knowing The Lord and having His blessing in ones life. Life is not always easy however and we all face trails from time to time... Having Christian support and encouragement is so important.

I have been a lighthouse member for over 15 years and The Webers have been family friends for more than 30 years. Both George and Sarie Weber have been such a blessing over the years - always there to give spiritual guidance, support and correction where I needed it.

The Lord has used The Weber's miraculously in my life as well as in the lives of my family and children. The Lord lifted me out of terrible wickedness and saved my life from death and disaster. I am so grateful and blessed that The Lord Jesus sent them my way and used them to help me in my everyday walk with The Lord.

George and Sarie have helped me understand the power of listening to the voice of The Lord and allowing God to have His Will in my life.

The Weber's have always being there for me when I needed prayer, direction, advice and many times a confirmation from The Lord. I have not just been blessed spiritually but also financially and in other areas of my life.

I am so blessed to be part of the Lighthouse **Klerksdorp** and to have such wonderful spiritual parents like them, may The Lord continue to use them in mine and other children of God's lives.
DARLENE MONERON.

Brother George and his wife Sarie Weber have both been a valuable and an inspirational blessing in my life. The advice and the spiritual guidance they have given me over the past twelve years have helped me tremendously. The time that they have spent ministering to me, Brother Weber especially, has made a phenomenal difference in my life. Through the power and intervention of God, Christ and the Holy Spirit I can truly testify that I am a changed man because of him.

I am eternally grateful and thankful for Brother Weber and his wife, because when others rejected me and avoided me, and when my life was in a mess they accepted me and helped me to come right.

I wish to endorse George and Sarie's ministry to me for the past up to the present time. They have been a help and comfort to me when things have gone wrong in my life. Their example was always only good to me and I appreciate what the Lord has done through them for me. It is a pleasure and a privilege to me to be a member in the LIGHTHOUSE KLERKSDORP organization.
