TESTIMONY. (GEORGE)

A married woman in Pretoria asked me to come and pray for her baby who the doctor assured had a small fault in his body. I went to her house at 8P.M. that evening and as I looked at the baby God showed me that the one and a half year old baby had a very big fault in his spine. She said he cannot crawl at all. I told her that the Lord shows me that the doctor was wrong and that the baby will never be able to crawl or walk ever.

She was horrified and I said don't worry the Lord will heal your baby tonight. The Lord Jesus Christ told me to tell her to hold the baby in her arms and that I must pinch the baby's right-hand index finger lightly between my right-hand index finger and thumb and then to say "Be healed." She picked the baby up and I did exactly as instructed and then I said "Ok we have prayed; the Lord will do the work. She put the baby in a small portable swing and strapped the baby in it.

I needed money to get home to Springs that evening and I tried to persuade her and her husband to buy a set of tapes about THE HERITAGE PLAN OF GOD IN CHRIST. They put up every excuse why they could not buy them for R400 -00 saying they have the money but they needed it for something else. I said inside. "Lord you must help me to sell these tapes otherwise I cannot go home tonight I have no petrol in my car" I tried to no avail, to persuade them that the tapes will help them and are just what they need. I was just about to give up when I looked at the baby who was swinging himself in the swing. I said to her "Can you baby do that normally" She said "No he just sits there. I said the Lord has healed him. " He had in deed. She cried out "My God how wonderful" and she told her husband to get me the R400 -00 for the tapes. God solved her problem and mine as well. Praise the Lord.

Her baby was healed and I had R 400 -00 to put petrol in my car. PRAISE GOD.

THE MORALITY OF CHRIST'S ELECT

This is a righteous revelation.

The purpose of this spirit filled word based expounding revelation of THE MORALITY OF CHRIST'S ELECT. is to compare the morality of Christ's elect against the morality of the world. It will compare the world's system's way of doing things as opposed to God's way of doing things. The message is primarily to the children of God but also to those in the world that are willing to listen. God, Christ and the Holy Spirit expounds to the reader what they want the reader to know. It is real truth revealed by the Spirit of the Lord and it is the real truth as it is.

TESTIMONY (GEORGE)

A woman and her mother came to see me some time ago. Her mother was in the N.G. church and her daughter was in the Twelve Apostles Church. They both wanted deliverance from different things.

The Lord said I must start with the woman first. He asked me to read two scripture from the new testament to her and to ask her if she knows what the Lord is saying to her through His Word. I read them to her and she said to me puzzled. "I don't know what He or the Word is saying to me." I read another scripture and the answer was the same.

I said to her you are veiled, the devil has veiled you and it has to do with what you have been taught in your church. The Lord then asked me to pray a number of prayers for her deliverance. With each prayer I prayed she got sicker and sicker. Her she became sick and her color changed and her mother looked at me in alarm as if I was harming her daughter.

I told to her to not interfere because the Lord was working with her daughter. I saw that she wanted to stop me from continuing but she was too scared to move. Suddenly her daughter said "I must go to the toilet which she did. The Lord showed me she was going to bring up in the toilet which she did.

The Lord said now deal with her mother which I did and her mother was greatly surprised at what the Lord said and did for her. Her daughter came back and she looked much better. I reread the three scriptures to her and asked her if she now knows what the Lord is saying to her. "Now I can understand clearly what He is saying to me out of His word." Her face lit up because God had set her free. Her mother was free as well. I told them to go join a Pentecostal church.

SERVING GOD IN SIMPLICITY IN CHRIST.

This is a hope revelation.

The purpose of this Spirit filled Word based revelation SERVING GOD IN SIMPLICITY IN CHRIST is to expound to the children of God how they should serve him in simplicity as opposed to the way the various churches go about doing it and to encourage the people of the world to turn to Christ and to love, serve and adore Him. It explains and expounds the calling and election of the children of God and of Christ to the Body and Church of the Lord. Christ takes His church out of the world and He takes His Bride out of the church. Christ does not select His Bride from the world. First His calling, then His choosing and then His election.

TESTIMONY (GEORGE)

A married woman came to me some time ago and she said she serves God in a Pentecostal church but she has a very big problem of wanting to commit suicide. The Lord revealed to me by revelation that the problem was her unbelieving husband that was causing her to be morose and dejected.

The lord revealed to me that they still are married and they still share the same bed but they have nothing to do with each other sexually for two years and that he is a bad drinker. I told her that Lucifer wants to kill her. It is not herself wanting to take her life. The Lord took out many devils out of her and she went away beaming. A month later she drank a whole liter of strong garden poison that would have killed anybody. She fell asleep for three days on her bed without waking up once. When she opened her eyes she was completely normal. Praise the Lord. She came to see me once again.

The Lord told me it was the devils in her husband that climbed onto her and that caused her to drink the poison (N.B. Her husband was no good at for her). The Lord showed me that He had kept her from dieing. She had her own business whilst her husband was a wastrel and a drunkard. God said she must divorce her unbelieving husband because he will never repent. I prayed deliverance prayers for her and she went off to do as God said. She came back after the divorce and told me everything was going so well in her life, her business and in her church since the Lord told her what to do. She said that her hope for the future was so great. No more plan to commit suicide because of her new hope In the Lord.

THE MARRIAGE VOW IN CHRIST.

It upholds and teaches the sanctity of marriage and the importance of the marriage vow and the purity of the marriage bed and how it all fits into God's eternal purpose.

TESTIMONY (GEORGE)

A Christian husband and wife from the Baptist church came to see me about problems they needed help for in their lives and to find out what God wanted and required of them.

The Lord dealt with his wife first because she had been born again and He spoke to her about certain things in her life that He wanted her to know. She was very delighted that the Lord had spoken to her and satisfied her need.

I then turned to the husband and the Lord revealed that although he was a Christian he was not walking as he should in faith but rather in his own understanding. I shared this with him and asked him if he wanted to serve God properly. He affirmed his desire.

The Lord removed many influences from the enemy that were in them and they left. Three weeks later her husband caught on what was wrong with his faith life. They have been back to me time and again and God revealed that they should begin working in the Lord's vineyard.

The y sold up every thing and entered the Lord's vineyard full time where they have worked for one and a half years now. They are relying on the Lord and trusting him to keep and provide for them. They cannot have children so they adopted a little Indian baby that they are bringing up as their own child.

They have been helped by the Lord and I in their marriage and they love one another and are in basic agreement in everything as they work together for the lord. The Lord is busy to use them in His work. May the Lord bless them.

THE WORLD AND CHRIST'S CHURCH.

This is a verity revelation.

The purpose of this Spirit filled Word based revelation is to enlighten the church of Christ as to their calling, choosing and election in the end times and time of the end and to govern and control its purpose, aim and goals so as to ensure that they will be a part of the Bride of Christ when He comes back to fetch His own. Only the holy, just and righteous will go with Him when He returns to gather His bride unto himself. This revelation points out the errors of the false bride of Christ which is the church's that name Christ but live in iniquity, unrighteousness, sin and evil. These are the church's that believe that anything goes as long as you believe in Christ.

TESTIMONY (GEORGE)

A young Pentecostal woman brought her catholic mother and sister to me for deliverance and for prayer. The Lord instructed me as to what to do for both of them in order for them to be converted from Catholicism to Pentecostal children of God in Christ and in the Spirit. (They both repented and left the Catholic church)

He showed me what to pray in order that the false spirits, demons, devils, powers and might's might go out of them. I did and prayed and instructed them as God me to do and there was a great change in them and in their lives.

They were both brought up in the Catholic church and had been there all of their lives until they came to me and the Lord in me. There He dealt with them according to their need that He knew of. Their need that they knew of was not the need that God knew of.

I asked them if they wanted to know something from God that they needed or whether they were willing to allow God to minister to them according to His knowledge of their need. They both were willing to allow the Lord to reach into them and to do what He wanted to do for them.

The Lord was very kind, gentle and gracious to them and when He was finished asked them what they desired of Him. He did what they requested and so they had a double work done in their lives. I did not know it but the mother had a faulty arm which she wanted me to pray for but she did not mention it to me. Her daughter phoned me and said that her arm was healed as well. Praise God.

THE CHURCH AND THE BRIDE OF CHRIST.

This is a truth revelation.

This revelation points out the errors of the false bride of Christ which is the church's that name Christ but live in iniquity, unrighteousness, sin and evil. These are the church's that believe that anything goes as long as you believe in Jesus.

TESTIMONY (GEORGE)

A young man 17 years of age came to me for help. He was involved in Satan worship and everyone despaired of helping him. I tried once or twice before to help him but came up against a stone hard resistance in side of him.

On this occasion I asked the Lord to do with him what He wanted to do with him. The Lord said that I must talk to him and tell him that the Lord says he has a choice today to either repent now in the presence of God on earth or face God in heaven one day where he will stand before the judgment throne of God with all the angels of God looking on when and where he will give an account of himself.

The Lord said that he must now choose which one he desired to have. I told him that God is waiting for his answer. I kept silent and waited for his answer. I saw that he was sweating and he was lost in concentration. He was silent for a long time and he really began to sweat. Profusely. At last he said I will repent now. I said ok and I spoke to God. God told me how to minister to him and that day he really and truly repented before God. When the Lord and I were finished with him he spoke to me and said.

"I saw a vision when you said God said I must make a choice. I saw myself standing before the throne of God with all of God's angels standing around me and I was alone before the throne of God. God said give an account of yourself." He said it was the most frightening thing that ever happened to him in his life. So he chose to rather repent at that moment which he did. He is now God's elect in Christ and he worships God in Spirit and in truth. Praise God. Thank you Lord.

GATHERING CHRIST'S BRIDAL PARTY TO READINESS.

This is a grace revelation.

The purpose of this Spirit filled and word based revelation is to enlighten the people of God to get themselves in order and to allow them to see the importance to themselves and others in getting ready for the return of the Lord the Bridegroom. Not all that call the Lord the Lord will go with Him but only those that do the will of the Father in heaven. This revelation will reveal what the Lord wants His people to know about the Bride of Christ and Christ's bridal party and the marriage supper of the Lamb of God. It will also allow for the grace of God in Christ to be poured out on the believer that does what God asks of them until Christ appears on the clouds of heaven to come and fetch His own unto himself forever.

TESTIMONY (GEORGE)

The grace of God has been poured out on me unworthy as I am to be his child. He visited me at my home in Springs where He enveloped me in a white light that came over me. It was the Holy Spirit. I was completely enveloped in the white light and I became intensely fearful because I realized it was God and I was not clean. He spoke to me and I listened with great fear but He did not kill me as I supposed he would. He gave me a revelation and I checked it out and it was exact.

Earlier that day I went to visit a husband and wife who were members in another church. I ministered to them and the Lord gave them spiritual gifts which worked immediately. Earlier on in my life the Lord had said to me that I must write a book for Him. I did try but not being an author I decided that the task was beyond me and I discarded it. I asked the lady whether she will ask God what He wanted to say to me. "She said to me the Lord asks you " Where is the book I asked you to write for me" I stammered " Lord I did try and write it but I threw it away "

She said " God says to you " You must go home and wait on Him and He will give you a revelation that He has given to no one else on earth. " I Said " Lord me? "She said " Yes you " I did that and that was when the Lord met with me in the white light. Subsequently he gave me eight books which I recorded by just listening to Him talking to me. These seven are ready, the eighth is being done now.
